

What Makes Our School Special?

Our philosophy about childhood learning embraces the idea that children develop academic and social skills through play and interaction with peers. It is our goal to support children in learning about the special world that God created for them.

Parents and family are always welcome at our school. We encourage parent involvement through committees, social activities, and conferences. We also value the daily contact between parents and teachers at the beginning and end of the school day (no car pool line).

Each morning, our teachers set up their classrooms into centers with new education activities. We provide unstructured and fun activities through areas such as sensory tables, art, science, and dramatic play. Children at Mouzon learn valuable intellectual and social skills that help them achieve life-long success and satisfaction.

We believe that each child is a child of God and worthy of love, acceptance, and support. By modeling Christian values, we teach children to embrace God's love and their individual differences.

Welcome to Mouzon Weekday Preschool!

As a ministry of the church, we are dedicated to building a strong foundation for the spiritual, academic and social growth of children. We believe that by teaching God's love, we can encourage children to respect and love one another, embrace their independence and ultimately prepare them for a lifetime of learning.

**"We love because
He first loved us."
1 John 4:19**

Classes Offered

Ages: One through Four
(Age as of August 31, 2017)

Schedule

Our preschool is open from
September - May each year. We
follow the same schedule as the
Charlotte-Mecklenburg Schools
with few exceptions. We have a
longer day than many preschools.

Hours: 9 am - 1 pm, Mon.-Fri.

To Register

Registration Forms and Tuition Rates can be downloaded from our website, or picked up at the Preschool office. A registration form must be completed for each child.

You may pay by check or
electronic funds transfer through
Tuition Express.

Tuition and Activity fees cover
such benefits as group music, My
Gym, Children's Theatre, library
storytellers, and other on-site
"field trips".
